Dear Patricia Leite:

Welcome to the IEEE Student Branch program! On behalf of the Member and Geographic Activities Board, we have approved your petition to form an IEEE Student Branch at Fundacao Universidade Federal do ABC.

Your Student Branch is located in Region 9 and your activities will be of interest to the volunteers listed below:

Enrique Alvarez, Region 9 Director
Salomon Herrera, Region 9 Student Activities Chair

Daniel Monteiro, South Brazil Section Student Activities Chair

Please do not hesitate to contact them for assistance and information on local IEEE activities. In addition, we are sending you promotional materials and your Student Branch Charter certificate separately. Your Student Branch code is **03741**. Please be sure to use it on all correspondence and reporting forms. On student membership applications, please use school code **60041633** to ensure that the students are properly assigned to your Student Branch. Students should join IEEE online at <http://www.ieee.org/join>.
